9-1-1 for Kids and Kathy Ireland's Mentor Program for Single Teen Mothers Teen Mother Application

The Kathy Ireland Mentor Tea for Teen Mothers is celebrating its 15th year and we would like you to be a part of it. The purpose of this event is to match up each teen mother with a mentor who can help guide you, offer support, counsel, and encourage you through trying times in your life. A mentor is a person who is there for you and wants to help you define and achieve your goals. We understand that situations in your life do not always go as planned and so our mentor program is designed to give you valuable tools to help you get through life. The kick-off event is Saturday, August 25, 2007 and will include gifts for you and your baby, a fashion show, breakfast, luncheon, guest speakers and workshops that will go over issues such as pre and post natal care, healthy parenting, domestic violence protection, and workforce readiness. The goal of this event is to remind you that you are not alone and that there is a bright future out there for you and your child. If you are interested in attending this event and continuing a relationship with a mentor, please fill out the following application. Please return your application, along with a picture of yourself, to your counselor or to our offices, no later than **August 17, 2007**.
